FIG. 1

665220-00722200

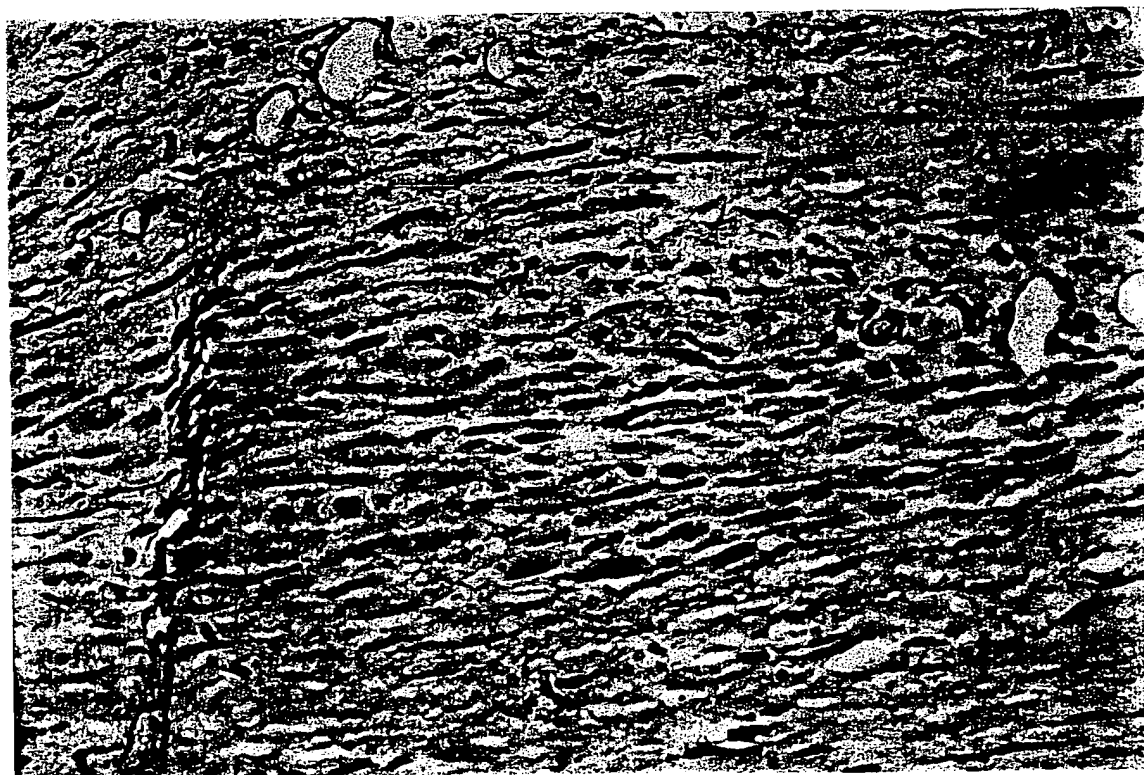

FIG. 2a

A high-contrast, black and white photograph showing a close-up of a textured surface, possibly a rock or mineral specimen. The image is dominated by dark, irregular shapes and patterns, with some lighter, grainy areas that suggest a rough or crystalline texture. The overall appearance is abstract and somewhat chaotic, with no discernible text or figures.

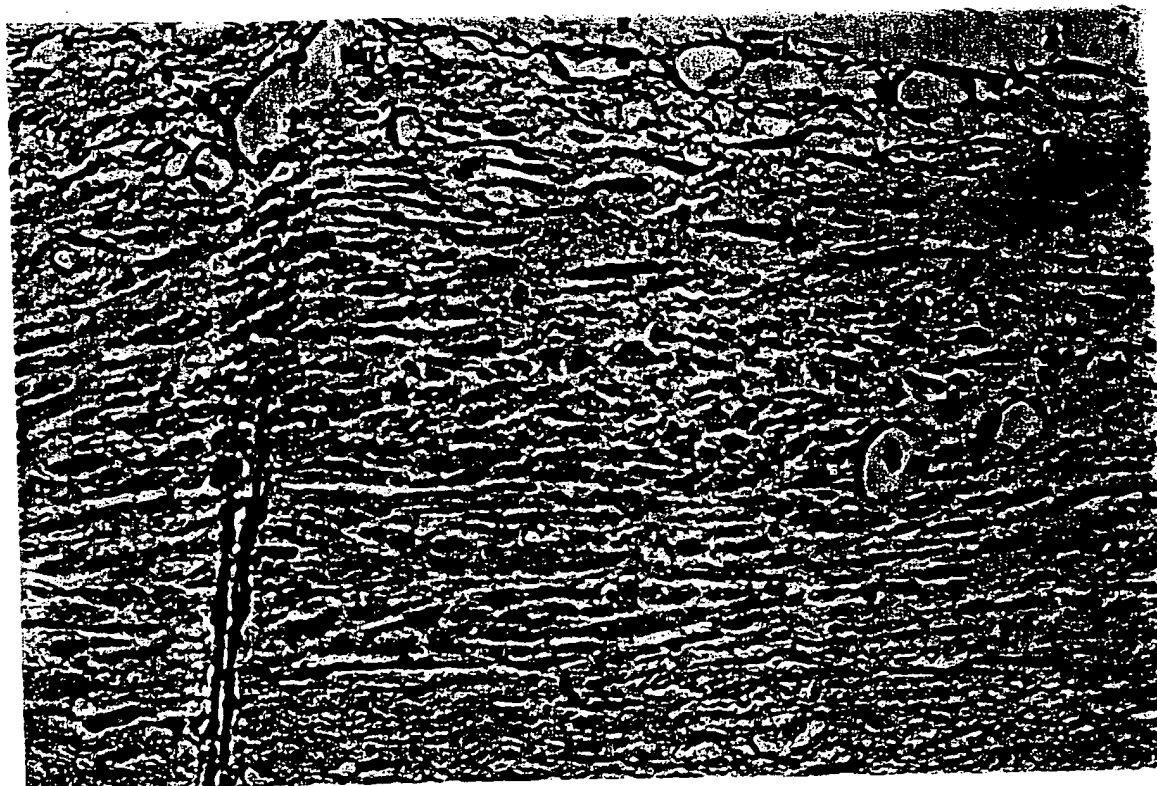

FIG. 2b

A dark, heavily textured surface, possibly a book cover or a piece of old paper, showing significant wear, scratches, and discoloration. The texture is grainy and uneven, with many small white specks and larger dark patches.
